

Update 4 = Return to Lessons a New Era (24/08/2020)

Since the last Update 3 8.8.20 We have completed our risk assessments and cleaning schedules which have now been submitted to the schools. Some good news for our Colton Hills swimmers we have had the go ahead to return to the pool. Unfortunately, we are still waiting for confirmation from Crestwood on the expected procedures they want us to follow. When we receive these, we will issue Update 5 and you can make an informed decision on what is best for your child/children based on the new return to swim format. We have odd spaces available at other pools and a new session available to book on a Monday at Colton Hills, if any swimmers want to transfer to this pool from Crestwood.
